

# Security Company News: New Security Locator Coming Soon

## Security Chimney Will Soon Release An Improved and Updated Locator

In an effort to better serve our customers, we are in the process of improving and updating our product locator on the website. Our Security Locator is a free service that will allow people to better find your company. Take advantage of this free service and sign up now.

All dealers, distributors, and commercial accounts: please make sure to fill out the Security Locator Application form to be placed in the Security Locator. Select the "Locator Application" below to sign up now.

Please note that even if you were listed on our old locator, you are still required to fill out the application in order to have your company show up on our locator's search results.

A promotional banner with a light yellow background. On the left, the text reads "Apply for our new Security Locator at securitychimneys.com" in large, bold, blue and orange letters. Below this, in smaller black text, it says "All dealers, distributors, and commercial accounts - Please fill out the Security Locator Application." At the bottom left, an orange speech bubble contains the text "Fill Out Application Now!". On the right side, there is a teal computer monitor icon displaying a website interface with a location pin icon overlaid on it. The website interface shows a navigation bar with the "security" logo and a main content area with a photo of a store interior and the text "Introducing The NEW SECURITY".
